

RANS ELECTRICAL QUALITY POLICY

RANS Electrical is committed to providing a quality service that meets and exceeds client contract specifications, legislative and standard requirements.

RANS Electrical embraces best practice to ensure a quality service, RANS Electrical have quality objectives and targets that are developed, monitored, reviewed and communicated regularly.

RANS Electrical are dedicated to continual improvement. To support this philosophy RANS Electrical have developed and implemented a HSEQ Management System that meets safety, environmental and quality legislative and standard requirements.

Compliance with this Quality Policy is mandatory for all employees, contractors, apprentices, visitors and other persons potentially impacted by RANS Electrical. Through ongoing instruction and training, employees, contractors, apprentices, visitors and other persons potentially impacted by RANS Electrical will be capable of meeting the objectives of this Policy.

All employees are responsible for the quality of their own work but are supported by Supervisors and documented procedures, where required.

Management fully endorses this Quality Policy.
